

Are you the

JUNIOR HARDWARE MECHANIC

We're looking for?

Your job

We are looking for a Junior Hardware Mechanic to strengthen our Hardware Team. Your main task consists of the construction and assembly of electrotechnical installations within the (process) industry. You provide your tasks with due observance of current regulations, installation standards and specifications of our customers.

Your profile

You have a relevant education in electrical engineering (MBO degree) or a similar degree. You have a VCA certificate as well as a driving licence B. You are eager to learn, a team player yet willing to be able to execute projects autonomously. Experience in process industry is definitely a plus. We highly value efficient communication and a proactive attitude. You enjoy working in a diversified environment.

Our offering

Opinion Technology is committed to attracting and maintaining a dedicated team by providing a satisfying work environment, valuing diversity, and offering excellent salary and secondary benefits.

We highly value a positive work culture and offer our employees lots of flexibility, as well as the ability to work from home. You can choose your own working hours, as we do not believe in a 9-to-5 attitude.

Opinion Technology is a member of the Opinion Group and all our employees work in close collaboration so that each of them realizes a benefit from working together.

Ultimately, what we want from you is: commitment, high quality, high value, flexibility, customer-friendliness, optimism, the ability to learn fast, eagerness to share your knowledge and experience and willingness to work in a small team with big ambitions. Last but not least, we want you to enjoy what you do.

Real success is finding your lifework in the work that you love*

David McCullough, US biographer & historian

About Opinion Technology

Innovation is increasingly important for sustaining business growth, but ever more difficult to achieve because of fierce competition. We strongly believe that information technology is a critical element to accomplish innovation. The Opinion Group therefore has gathered a number of companies that are strictly focused on developing breakthrough technologies under the name Opinion Technology.

We do not believe in technology as a goal in itself, but rather as a means to achieve goals. Because we understand your needs with regard to strategic innovation, we can develop technologies that address those needs. In a way, we are technology-driven but we always take into account your actual needs and demands.

About the Opinion Group

The Opinion Group is a premier organization, which offers high-end solutions and sector-specific services for food manufacturers, retailers, suppliers and other industry players. We offer world-class capabilities in the area of sensory research and lab analyses, consulting and process engineering. We cover a broad spectrum of disciplines and specialties, from product development and innovation to food labeling, product specification and quality audits.

The companies that make up the Opinion Group all share market knowledge, experience and technological knowhow. We can work on a project base executing a client-specific request, or offer long-term, totally integrated solutions. Whatever the work we do, we are always guided by principles of quality, reliability and commitment to excellence.
